1. Which of the following best describes your business?

Note: Under ECA's Code of Practice, all accredited businesses are manufacturers, however, it is understood that businesses operate differently.

Please select the most appropriate options for your business set up. (Select more than one option if your business undertakes multiple operations).

Manufacturer - your businesses produces Textile, Clothing Footwear (TCF) products for yourself and/or on behalf of other businesses or major purchasers

Brand - your businesses produces TCF products to sell to consumers

Value Adder - your business offers value adding services onto Australian made TCF products *e.g. Screen printing, embroidery, decoration*

2. What percentage of manufacturing does your business undertake in Australia?

100% of TCF product is made in Australia

More than 50% of TCF product is made in Australia

A specific TCF item or product line is made in Australia

Please specify _____

Ethical Clothing Australia

Fee and Manufacturing Form (continued)

Fee Schedule		
Please review questions below, tick as applicable and insert fee into sub-total column		
Tick		Sub-Total
New businesses and sole traders		
	My business has been in operation and manufacturing for less than two years (ECA emerging business discount). <i>Please answer below questions relating to outsourcing and in-house manufacture but further fees do not apply.</i>	\$320 + GST
	I am a sole trader with no employees and all operations in-house (no outsourcing)	\$320 + GST
Outsourcing		
	What is the annual value of all outsourced operations to contractors and/or outworkers within Australia, including design, pattern making, cut, make, trim, value adding, dispatch and associated areas?	
	None	\$0
	Less than \$50,000	\$645 + GST
	\$50,001 - \$200,000	\$1,070 + GST
	\$200,001 - \$500,000	\$1,605 + GST
	\$501,000 - \$1,000,000	\$2,140 + GST
	\$1,000,001 - \$5,000,000	\$3,210 + GST
	\$5,000,001 - \$10,000,000	\$4,280 + GST
	\$10,000,000+	\$6,420 + GST
In House Operations		
	How many in-house employees does your business have across all locations in Australia including design, pattern making, cut, make, trim, value adding, dispatch and associated areas?	
	If you outsource manufacturing and also have in-house operations, 25% of the in-house fee applies. Please see fees in the second column.	+25% for combined operations
	No Employees	\$0
	1 - 10	\$430 + GST
	11 - 25	\$645 + GST

Annual Fee Total Amount		

3. Declaration and signature

I declare that this form has been completed accurately.

- I understand that payment is non-refundable.
- I understand that Ethical Clothing Australia will use my answers to review my final fee based on the schedule of fees.
- I acknowledge that any errors or omissions made by me may result in the charging of incorrect fees. If this occurs I accept that additional fees may apply.
- I will advise ECA within seven days of any changes to my manufacturing circumstances such as adding or removing suppliers or homeworkers, ceasing all local manufacturing, moving location or changing contact details.
